

Season's Greetings

On behalf of the Ghana MADE team, we bring you season's greetings. Together with you our stakeholders, we once more made a great contribution in 2017 towards improving the incomes and resilience of poor households in the Northern Savannah Ecological Zone (NSEZ) by facilitating the growth and sustainability of agribusinesses including input dealers and aggregators who, in turn, invested significantly to support smallholder farmers enabling them to experience average yield increases of up to 114%.

In the spirit of this season of good wishes, we ask you to join us say kudos to the hard working smallholder farmers and our agribusiness partners who support them. We wish you all too happy and safe celebrations. We look forward to continuing the journey with you in 2018 towards the ultimate destination of wiping out poverty in Northern Ghana.

In the meantime, the MADE team will break for the festive season on Wednesday, 20th December, 2017 and will resume on Monday, 8th of January 2018.

On behalf of the MADE team

Eric Akurugu (Grants, Entrepreneurship and Clients Relationship Manager)
